

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING PERMISSION  
SUBJECT TO CONDITIONS

Decision Date: 06 February 2013

Mr Paul Warrington  
Gwylfa  
6, Overcote Road  
Over  
Cambridge  
Cambridgeshire  
CB24 5NS

The Council hereby grants permission for Erection of Dwelling

At: Land S/E of, Mustills Lane, Over, Cambridgeshire  
For: Mr Sean Baker

In accordance with your application dated 06 August 2012 and the plans, drawings and documents which form part of the application, subject to conditions set out below.

- 1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.**  
(Reason - To ensure that consideration of any future application for development in the area will not be prejudiced by permissions for development, which have not been acted upon.)
- 2. The development hereby permitted shall be carried out in accordance with the following approved plans: 1MULA3-01, 1MULA3-02B, 1MULA3-03 & LD12192.**  
(Reason - To facilitate any future application to the Local Planning Authority under Section 73 of the Town and Country Planning Act 1990.)
- 3. No development shall take place until details of the materials to be used in the construction of the external surfaces of the buildings hereby permitted have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.**  
(Reason - To ensure the appearance of the development is satisfactory in accordance with Policy DP/2 of the adopted Local Development Framework 2007.)
- 4. The existing hedge on the front boundary of the site shall be retained except at the point of access; and any trees or shrubs within it which, within a period of five years from the completion of the development or the occupation of the buildings, whichever is the sooner, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.**  
(Reason - To protect the hedge which is of sufficient quality to warrant its retention and to safeguard biodiversity interests and the character of the area in accordance with Policies DP/1 and NE/6 of the adopted Local Development Framework 2007.)

- 5. No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and type of boundary treatment to be erected. The boundary treatment [for each dwelling] shall be completed before that/the dwelling is occupied in accordance with the approved details and shall thereafter be retained.**  
(Reason - To ensure that the appearance of the site does not detract from the character of the area in accordance with Policy DP/2 of the adopted Local Development Framework 2007.)
- 6. All hard and soft landscape works shall be carried out in accordance with the approved details as shown on plan ref LD12192. The works shall be carried out prior to the occupation of any part of the development or in accordance with a programme agreed in writing with the Local Planning Authority. If within a period of five years from the date of the planting, or replacement planting, any tree or plant is removed, uprooted or destroyed or dies, another tree or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.**  
(Reason - To ensure the development is satisfactorily assimilated into the area and enhances biodiversity in accordance with Policies DP/2 and NE/6 of the adopted Local Development Framework 2007.)
- 7. The driveway and hardstanding, hereby approved, shall be constructed such that no surface water run-off is discharged on to the public highway. This arrangement shall be retained for so long as the hardstanding remains.**  
(Reason - To ensure that the development does not negatively impact on site highway safety in accordance with Policies DP/2 and DP/3 of the adopted Local Development Framework 2007.)
- 8. The visibility splays shown on plan ref 1MULA3-02B shall be provided on both sides of the access prior to the occupation of the dwelling, hereby approved, and shall be maintained free from any obstruction over a height of 600mm in perpetuity.**  
(Reason - In the interest of highway safety in accordance with Policy DP/3 of the adopted Local Development Framework 2007.)
- 9. During the period of construction of the development, hereby approved, all contractors vehicles associated with said construction work shall be parked within the site boundary.**  
(Reason - In the interests of highway safety.)
- 10. During the period of demolition and construction, no power operated machinery shall be operated on the site before 0800 hours and after 1800 hours on weekdays and 1300 hours on Saturdays, nor at any time on Sundays and Bank Holidays, unless otherwise previously agreed in writing with the Local Planning Authority.**  
(Reason - To minimise noise disturbance for adjoining residents in accordance with Policy NE/15 of the adopted Local Development Framework 2007.)

**PLANNING PERMISSION**  
**SUBJECT TO CONDITIONS**

**Reasons for Approval**

1. The development is considered generally to accord with the Development Plan and particularly the following policies:

**DP/1 - Sustainable Development**  
**DP/7 - Development Frameworks**  
**DP/4 - Infrastructure and New Developments**  
**DP/3 - Development Criteria**  
**DP/2 - Design of New Development**  
**SF/11 - Open Space Standards**  
**SF/10 - Outdoor Playspace, Informal Open Space, and New Developments**  
**HG/1 - Housing Density**  
**NE/6 - Biodiversity**  
**NE/2 - Renewable Energy**  
**NE/1 - Energy Efficiency**  
**TR/2 - Car and Cycle Parking Standards**  
**TR/1 - Planning for More Sustainable Travel**

2. The proposal conditionally approved is not considered to be significantly detrimental to the following material considerations, which have been raised during the consultation exercise:
  - **Highway Safety**
  - **Residential Amenity**
  - **Character and Appearance**
3. All other material planning considerations have been taken into account. None is of such significance as to outweigh the reason for the decision to approve the planning application

**General**

1. **Statement as to how the Local Planning Authority (LPA) has worked with the applicant in a positive and proactive manner on seeking solutions**

The LPA positively encourages pre-application discussions. Details of this advice service can be found on the Planning pages of the Council's website [www.scambs.gov.uk](http://www.scambs.gov.uk). If a proposed development requires revisions to make it acceptable the LPA will provide an opinion as to how this might be achieved. The LPA will work with the applicant to advise on what information is necessary for the submission of an application and what additional information might help to minimise the need for planning conditions. When an application is acceptable, but requires further details, conditions will be used to make a development acceptable. Joint Listed Building and Planning decisions will be issued together.

Where applications are refused clear reasons for refusal will identify why a development is unacceptable and will help the applicant to determine whether and how the proposal might be revised to make it acceptable. In relation to this application, it was considered and the process managed in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

2. Circular 04/2008 (Planning Related Fees) states that where an application is made under Article 21 of the Town and Country Planning (General Development Procedure) Order 1995, a fee will be payable for any consent, agreement or approval required by condition or limitation attached to the grant of planning permission (or reserved matter consent).
3. The fee is £85 per request or £25 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of a dwellinghouse. The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available on the Council's website [www.scambs.gov.uk](http://www.scambs.gov.uk) (application forms - 1app forms-application for the approval of details - pack 25.)
4. It is important that all conditions, particularly pre-commencement conditions, are fully complied with, and where appropriate, discharged prior to the implementation of the development. Failure to discharge such conditions may invalidate the planning permission granted. The development must be carried out fully in accordance with the requirements of any details approved by condition.
5. All new buildings that are to be used by the public must, where reasonable and practicable, be accessible to disabled persons and provide facilities for them. The applicant's attention is therefore drawn to the requirements of Section 76 of the Town and Country Planning Act 1990 and the Building Regulations 2000 (as amended) with respect to access for disabled people.
6. The applicant's attention is drawn to the requirements of the Party Wall etc. Act 1996 if works are proposed to a party wall.
7. If you wish to amend the permitted scheme, and you consider the revisions raise no material issues, you should make an application for a Non Material Amendment. If agreed, the development can go ahead in accordance with this amendment although the revised details will not replace the original plans and any conditions attached to the originally approved development will still apply. If, however, you or the Council consider the revisions raise material issues you may be able to make an application for a Minor Material Amendment. If approved, this will result in a new planning permission and new conditions as necessary may be applied. Details for both procedures are available on the Council's website or on request.

8. If this development involves any works of a building or engineering nature, please note that before any such works are commenced it is the applicant's responsibility to ensure that, in addition to planning permission, any necessary consent under the Building Regulations is also obtained. Advice in respect of Buildings Regulations can be obtained from Building Control Services at South Cambridgeshire District Council. Their contact details are: tel. 03450 450 500 or [building.control@scambs.gov.uk](mailto:building.control@scambs.gov.uk) or via the website [www.scambs.gov.uk](http://www.scambs.gov.uk).
9. A delegation report or committee report, setting out the basis of this decision, is available on the Council's website.

**NOTES**

**Appeals to the Secretary of State**

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so using a form which you can get from the Customer Support Unit, Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

Alternatively, an online appeals service is available through the Appeals area of the Planning Portal - see [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs). The Planning Inspectorate will publish details of your appeal on the internet. This may include a copy of the original planning application form and relevant supporting documents supplied to the local authority, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information you are happy will be made available to others in this way, including personal information belonging to you. If you supply personal information belonging to a third party please ensure you have their permission to do so. More detailed information about data protection and privacy matters is available on the Planning Portal.

Fully completed appeal forms must be received by the Planning Inspectorate within six months of the date of this decision notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving the notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

**Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
